

This is a guide for attendees and delegates to the Annual Meeting of the Jönköping Student Union.

The purpose of this folder is to provide information on and guide visitors through the proceedings of the Annual Meeting (AM).

What is the Annual Meeting (AM)?

The AM is the highest decision-making body of the Student Union and may be compared to the Riksdag (the Swedish Parliament). The AM convenes at least once a year, barring extraordinary AM(s). The AM approves the plan of operations and budget of the Student Union for the following operational year, and considers amendments to the by-laws and the policy documents. Furthermore, a President, Vice President, Board members, and other elected officials, such as an Auditor of Activities and members of the Nomination Committee, are elected by the AM. Those eligible to vote at the AM are 30 delegates, who, in accordance with the by-laws of the Student Union, are elected by the Student Associations from among their members.

Delegates and seats

The number of seats to which an individual Student Association is entitled at the AM is regulated in the by-laws and based on the current membership of each of the four Student Associations. The members of the Student Associations elect delegates to represent them at the AM.

What matters are considered by the AM?

The AM considers matters concerning overall guidelines and strategies of Jönköping Student Union, such as the plan of operations, goals, visions, the budget, and the membership fee per semester. The AM is, of course, open to members of the Jönköping Student Union and, thus, all students at Jönköping University.

What are you allowed to do as an attendee at the AM?

As a member, you are entitled to speak at the AM. In addition, you may choose to do so in a formal manner by submitting a so-called interpellation (a formal question). As a member, you are also entitled to voice your opinions by making a motion (a proposal to e.g. make an amendment to the by-laws), which is written and submitted either prior to or during the AM.

Voice your opinion prior to the AM

What is a proposition?

A proposition is a proposal made by the Board of the Student Union which is to be considered by the AM.

What is a motion?

A motion is a proposal made by one or several members for the consideration of the AM. It is possible to propose amendments, of a general or specific nature, to the actions or policies of the Jönköping Student Union.

How do you write a motion?

The title should clearly state the topic addressed by the motion. This is then followed by a background and, finally, the motion(s) you wish for the AM to consider. If you wish for the AM to consider motions pertaining to multiple topics, it is better to write several motions than including disparate issues in a single motion. Submit your motion(s) to ordf@js.ju.se. Deadline: March 30th.

Example: Motion regarding students' financial situation

*In our opinion, students have too little money and we move that:
xxx*

Interpellation

An interpellation is a question from one or several members posed to the Board of the Student Union. Regardless of the scope of this question, it must receive a written answer by the Board of Jönköping Student Union. Fill in one interpellation form per question and submit it to ordf@js.ju.se. Deadline: March 30th.

Make opinions heard at the AM

Motions

During the AM, all members are entitled to make motions for the AM to consider. Motions are submitted on yellow forms, and the mover(s) fills in the matter to which the motion pertains, their name(s) and the motion they wish for the AM to consider.

Example of a motion

I move that the following paragraph be deleted from item xx in the plan of operations: Xxxxxxx

In favor to: Yyy Yyyyyy

There are different types of motions.

The original motion is called a “main motion”, whereas a motion proposing changes to a main motion is called a “motion to amend” (ändringsyrkande) and one which adds text to a motion is called a “motion to add” (tilläggsyrkande)

Reservation in the minutes

Registering a reservation in the minutes regarding a decision is a way for you to voice your dissent with the resolution the AM has adopted, which is to say you strongly object to it. A reservation which has been registered immediately in connection with the decision means the delegate divests themselves of all legal responsibility as regards the consequences of the decision. Reservation forms are red.

Motions and reservation forms are available at the AM.
