

Grant Application

This form has been developed to facilitate the applications for financial support (äskningar) from Jönköping Student Union. A grant is regulated by the *guidelines of grant application (riktlinjer för äskningar)* which can be found and downloaded on Jönköping Student Union website: www.jonkopingstudentkar.se

The application must clearly state what the grant is for and a financial plan (budget) must be attached to the application in order to be approved. For a yearly grant (årsäskningar, see *guidelines of grant application*)

For a project grant, e.g. a grant for a project or the start-up of an association – there are no time restrictions and applications can be submitted throughout the year. A project grant takes around a month to be processed and approved.

The application needs to be submitted to the Association Coordinator at the Student Union (associations@js.ju.se) or via mail to the Student House (2nd floor), Gjuterigatan 3C 55 318 Jönköping.
